

# Mr. Tongue Story

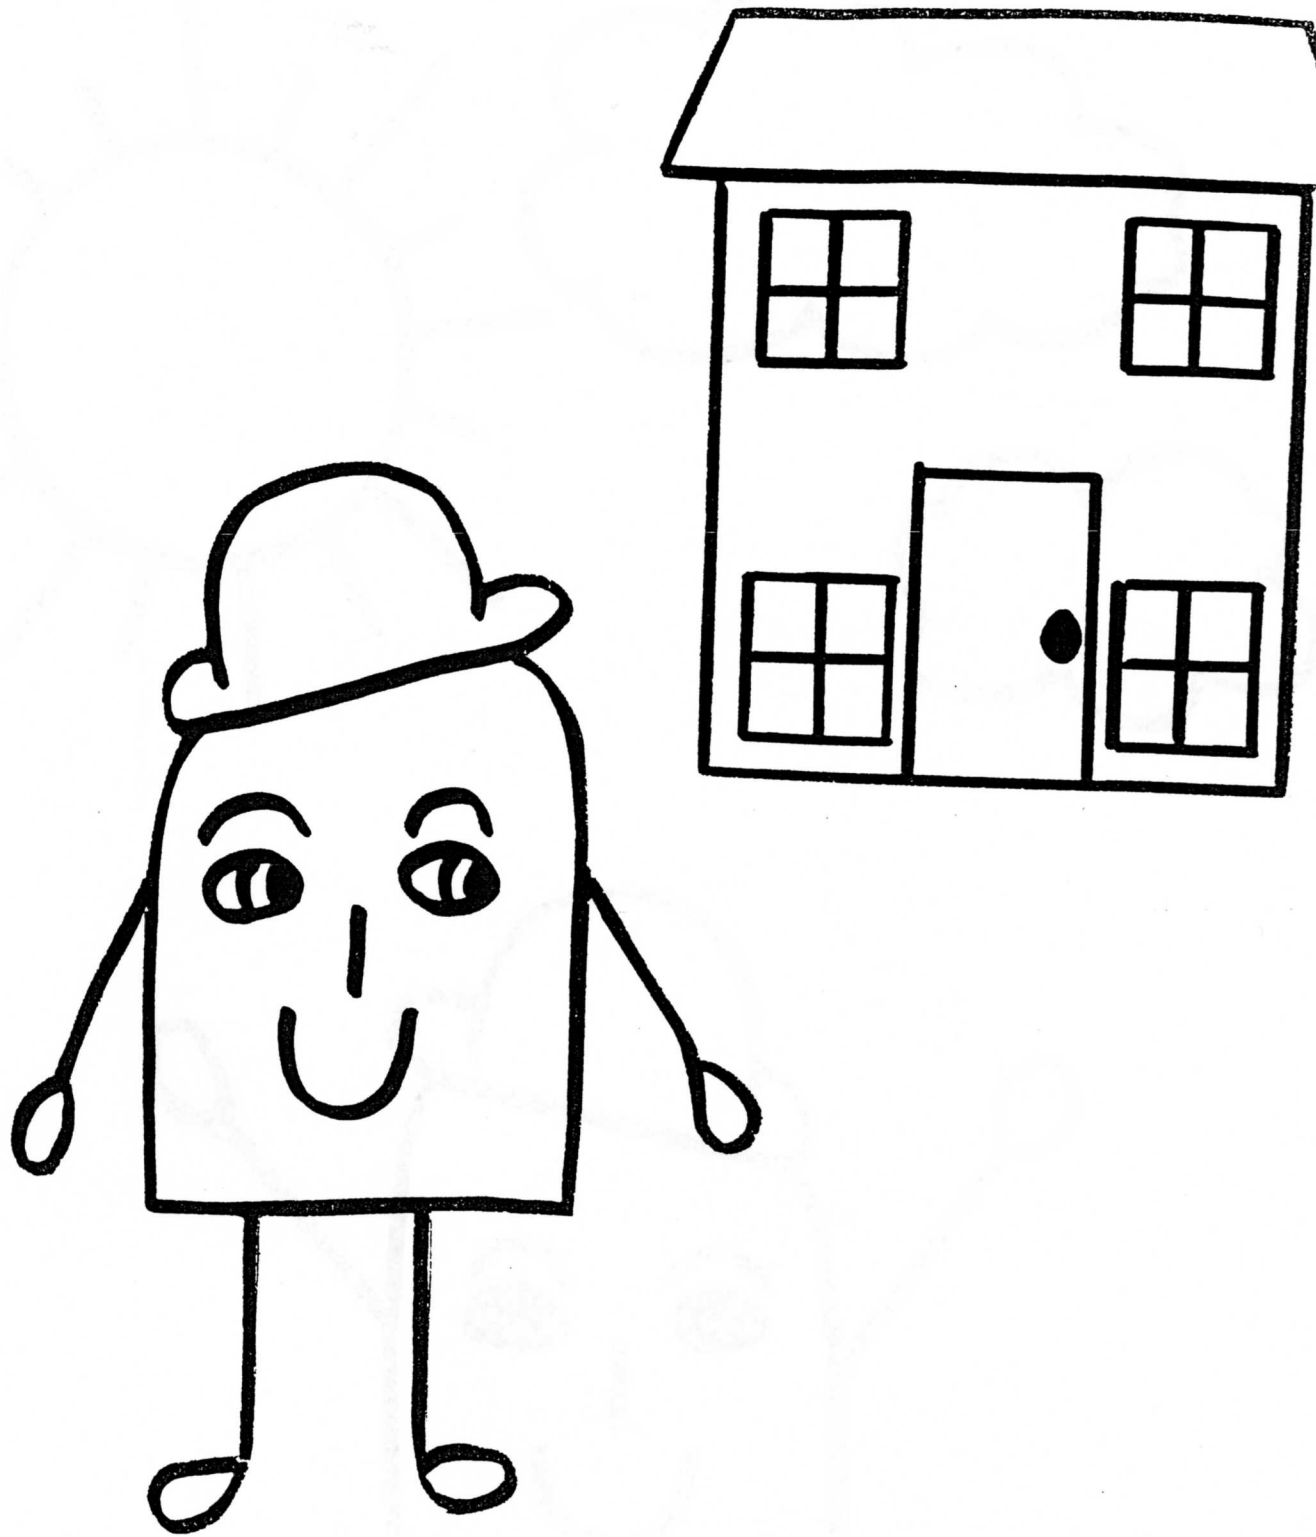

Here is Mr. Tongue.

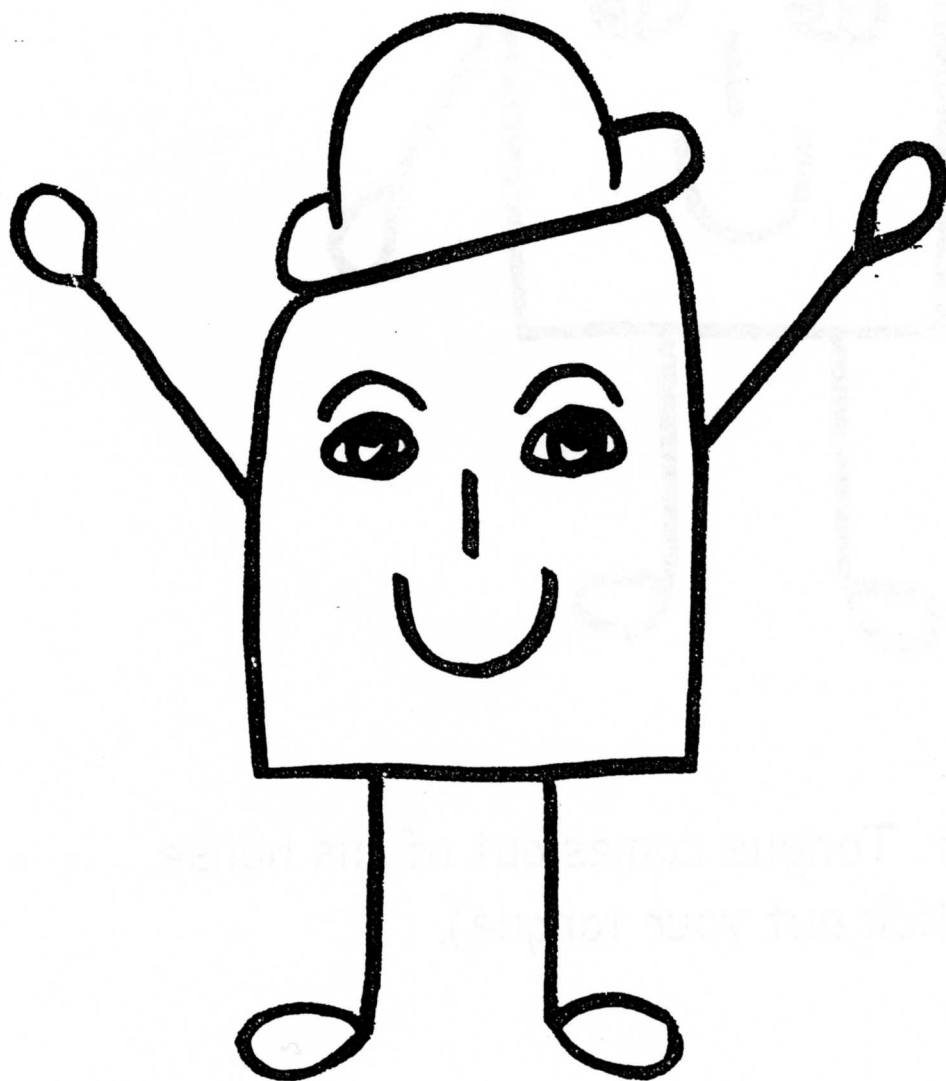

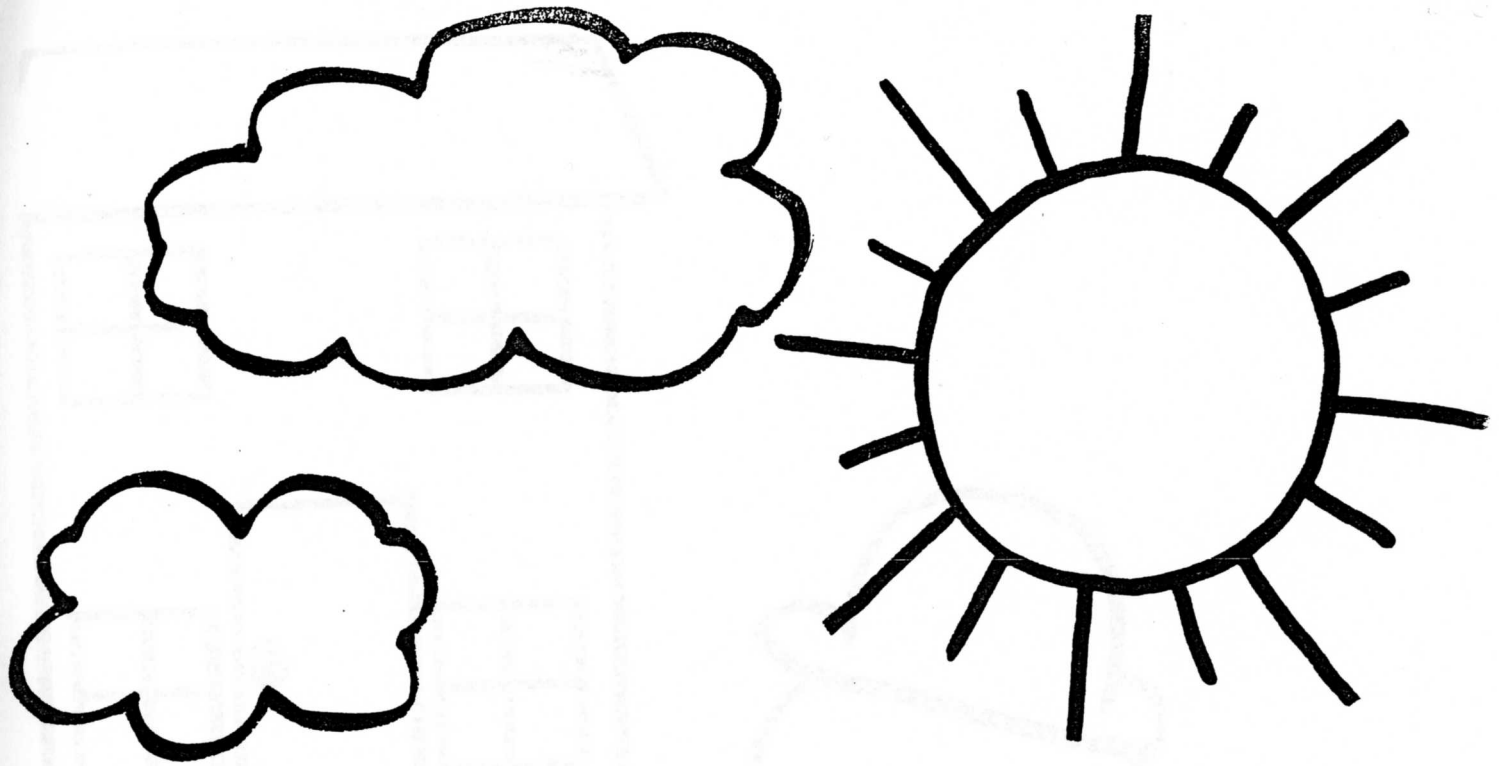

He lives in his house, which is your mouth!

He has lots of windows - your teeth!

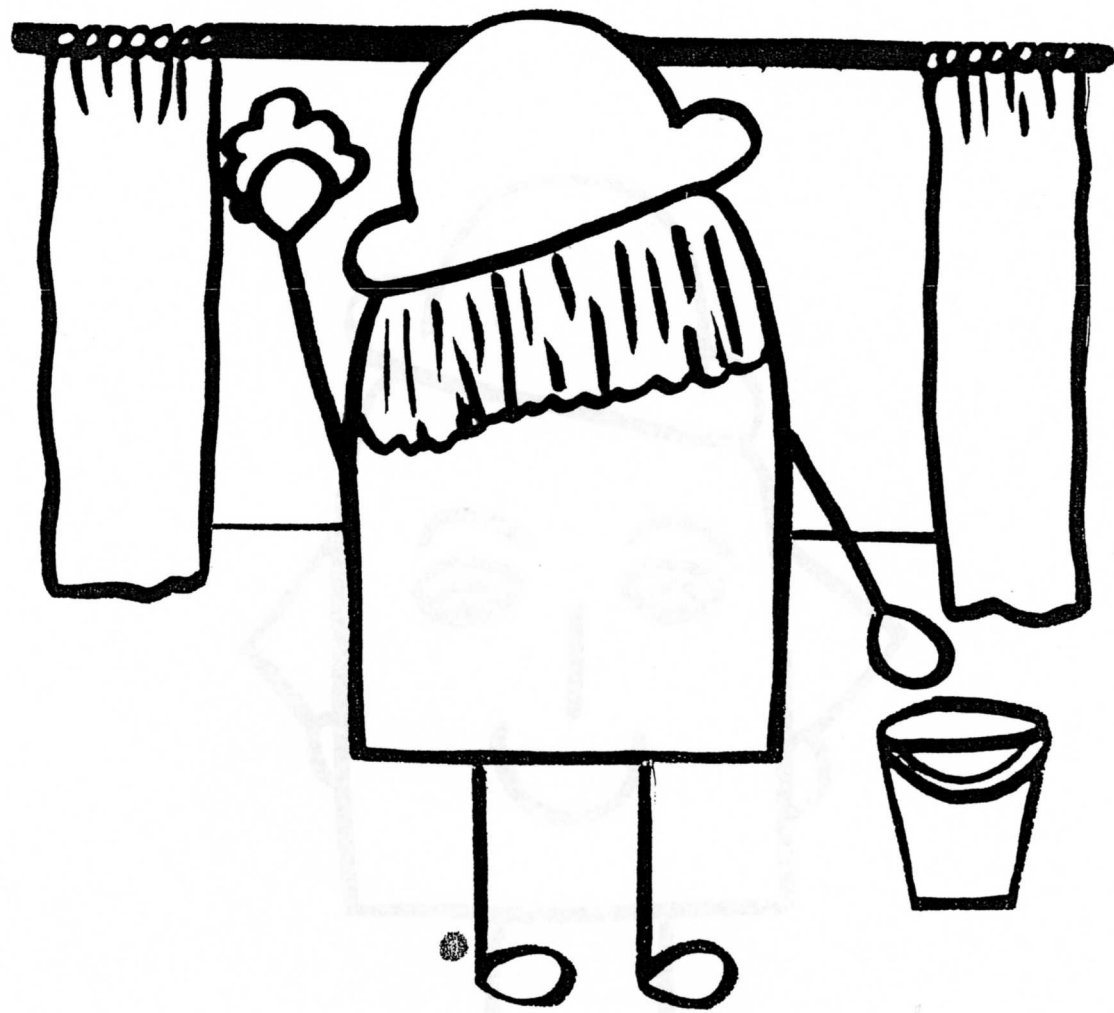

He has a door - your lips!

Mr. Tongue comes out of his house.  
(stick out your tongue).

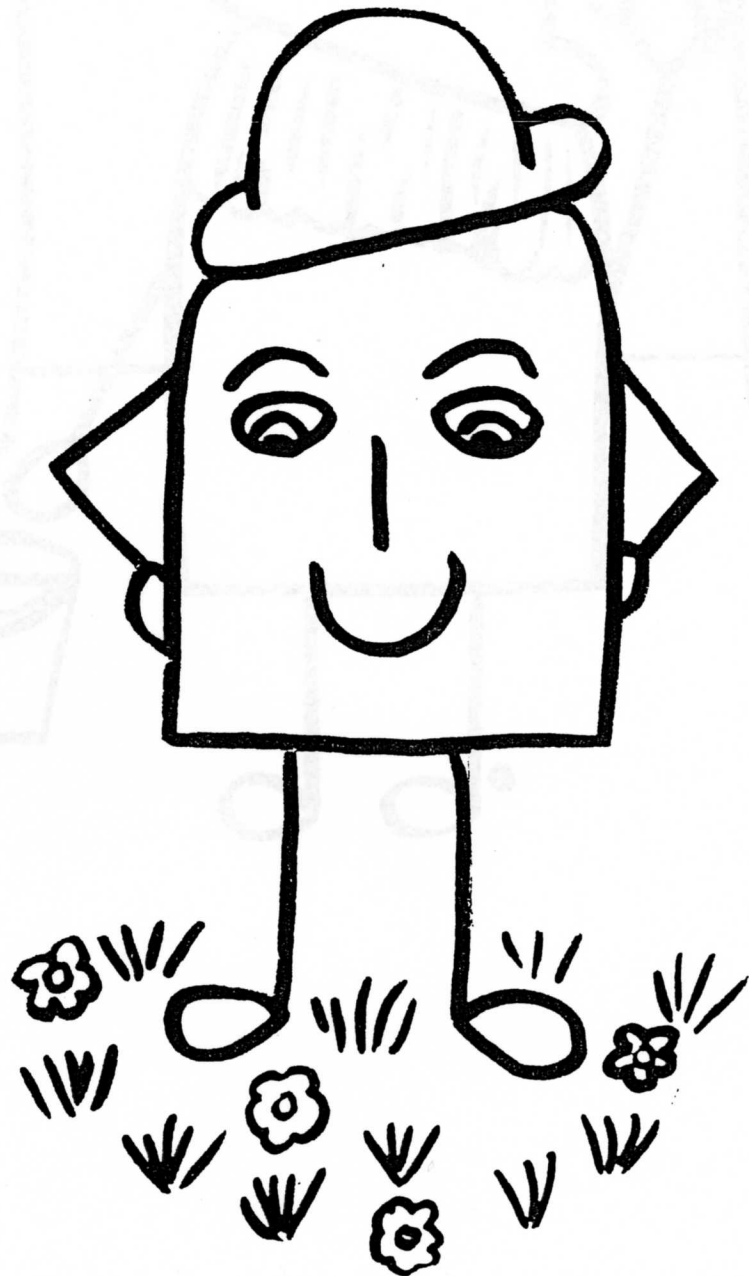

Mr. Tongue looks up at the sky.  
(curl your tongue up towards your nose)

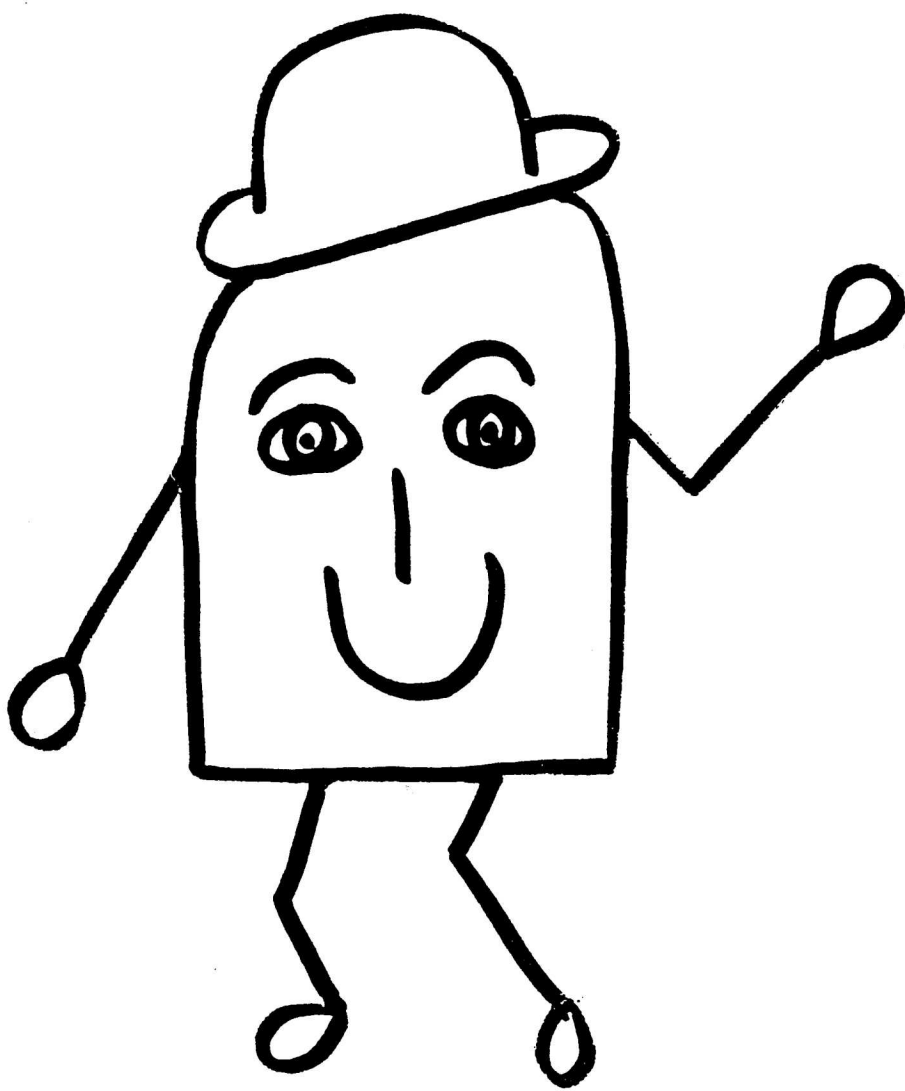

Mr. Tongue cleans the windows, upstairs and downstairs.

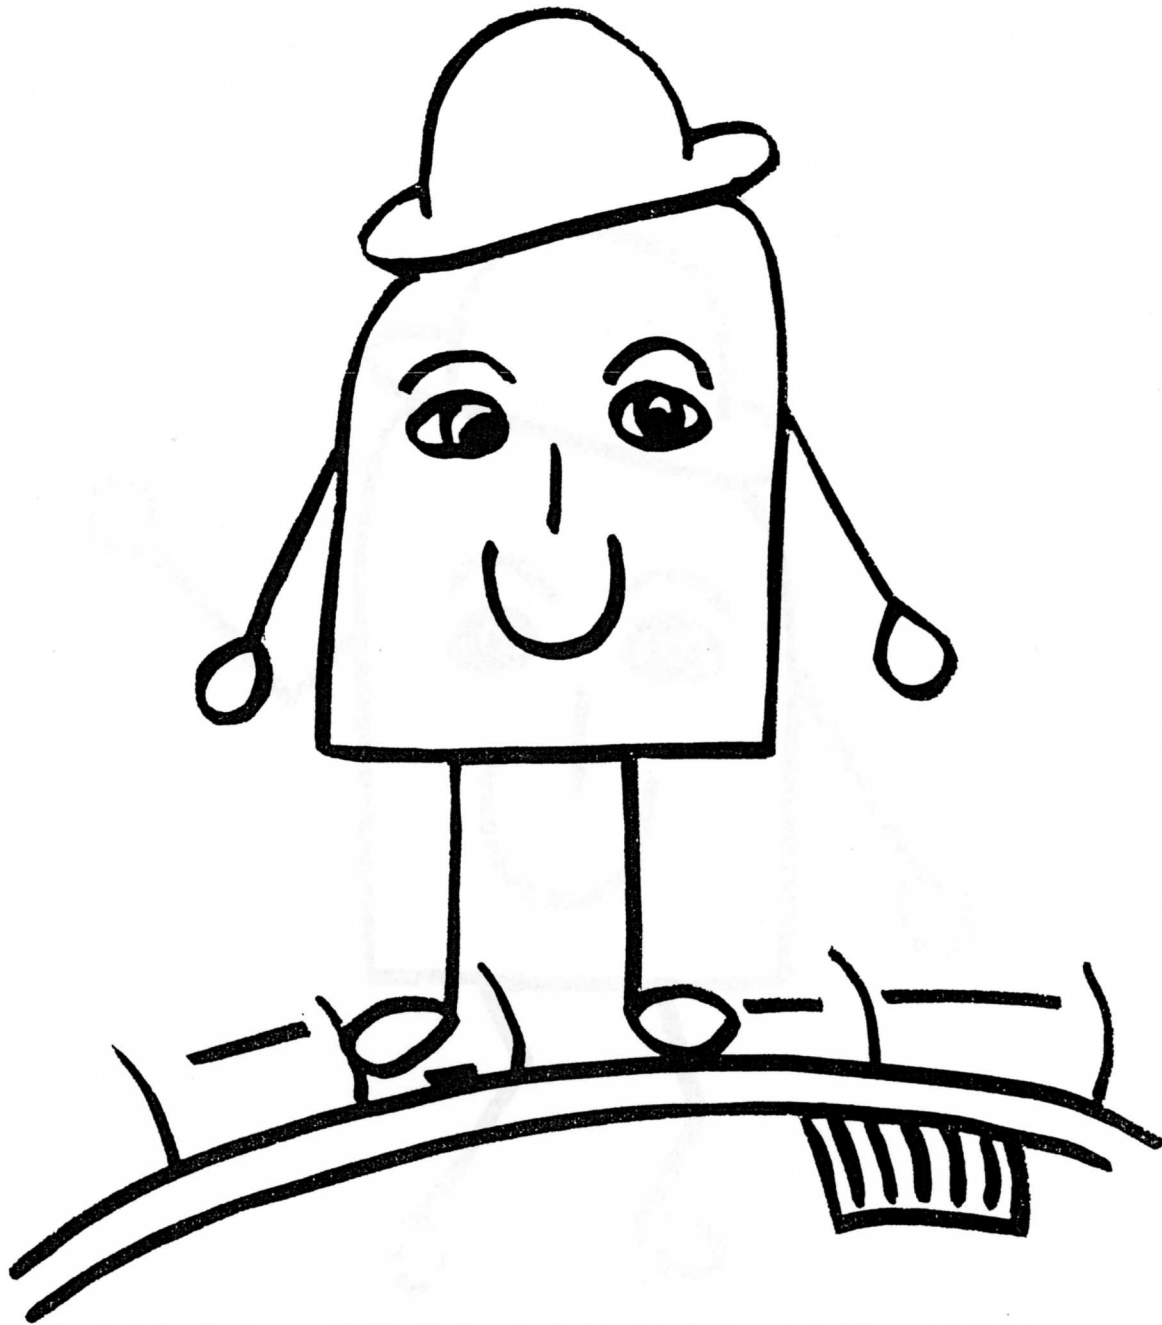

(run your tongue round all your teeth).

Mr. Tongue looks down at the ground.  
(push your tongue down on to your chin).

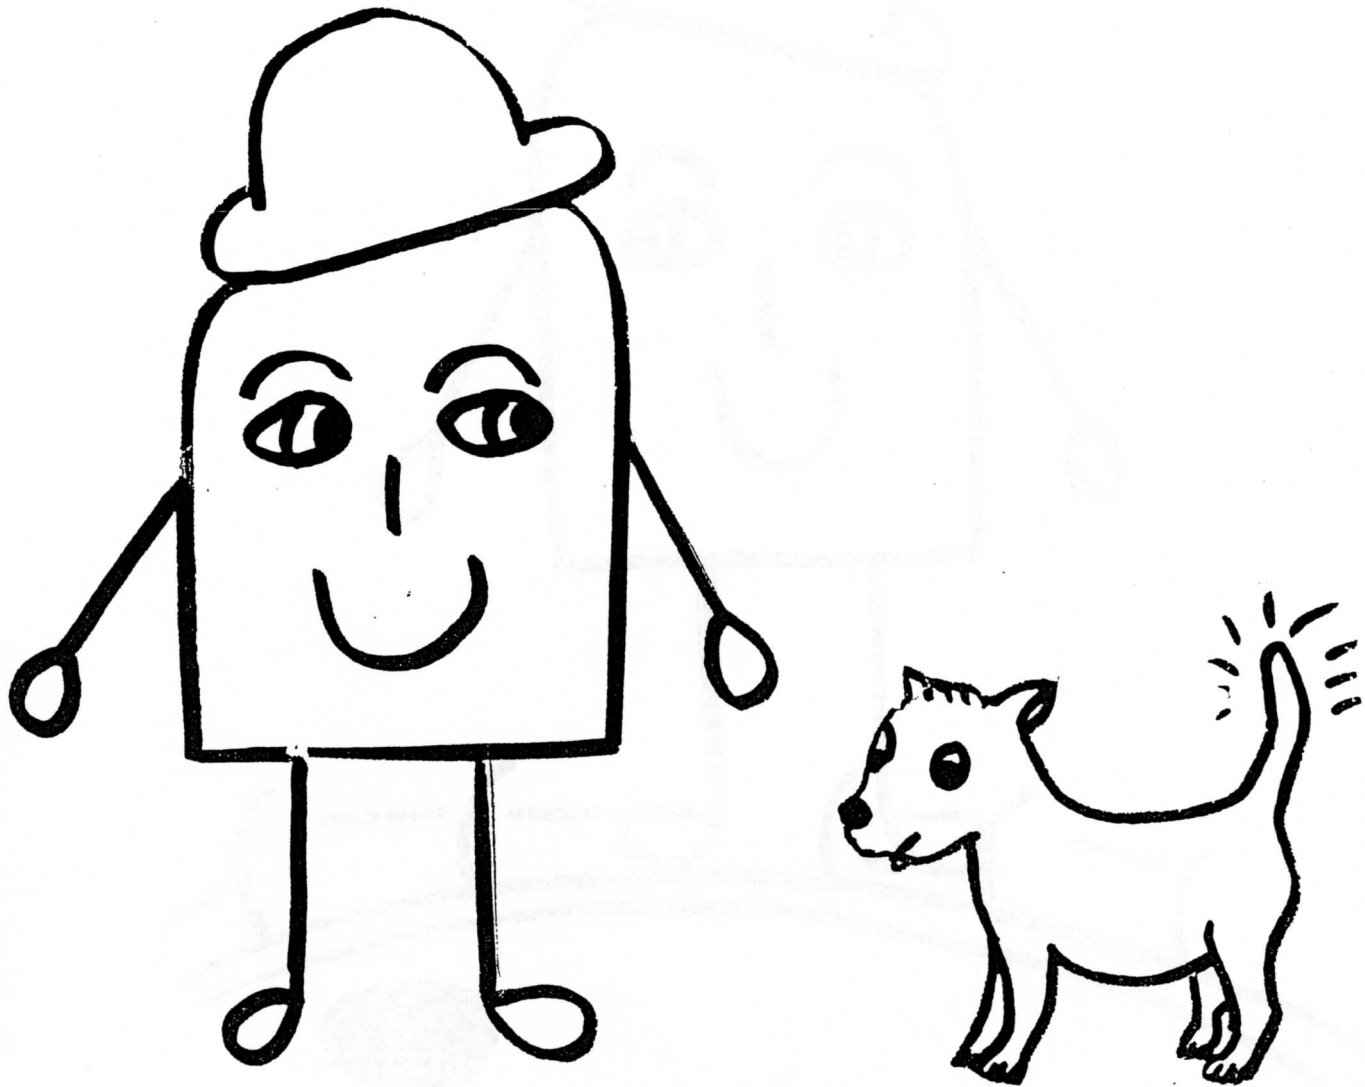

Mr. Tongue is happy. He jumps up and down.  
(flap your tongue up and down behind your  
teeth).

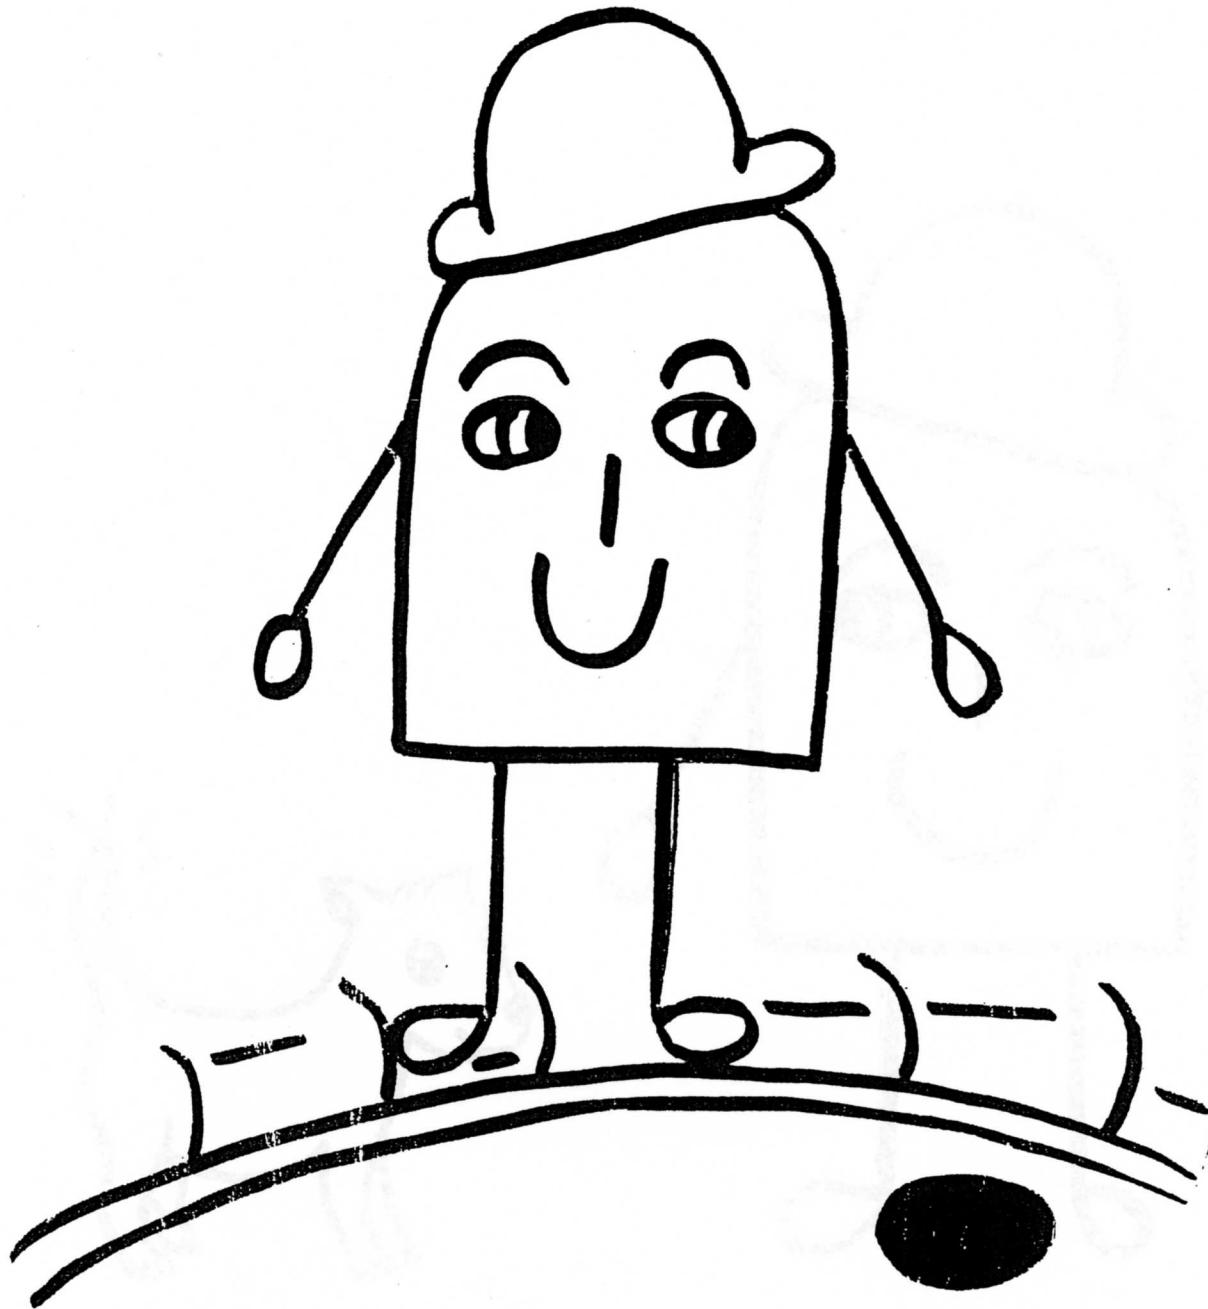

He goes for a walk. He looks up the road,  
then down the road.  
(put your tongue out to one side, then the  
other.)

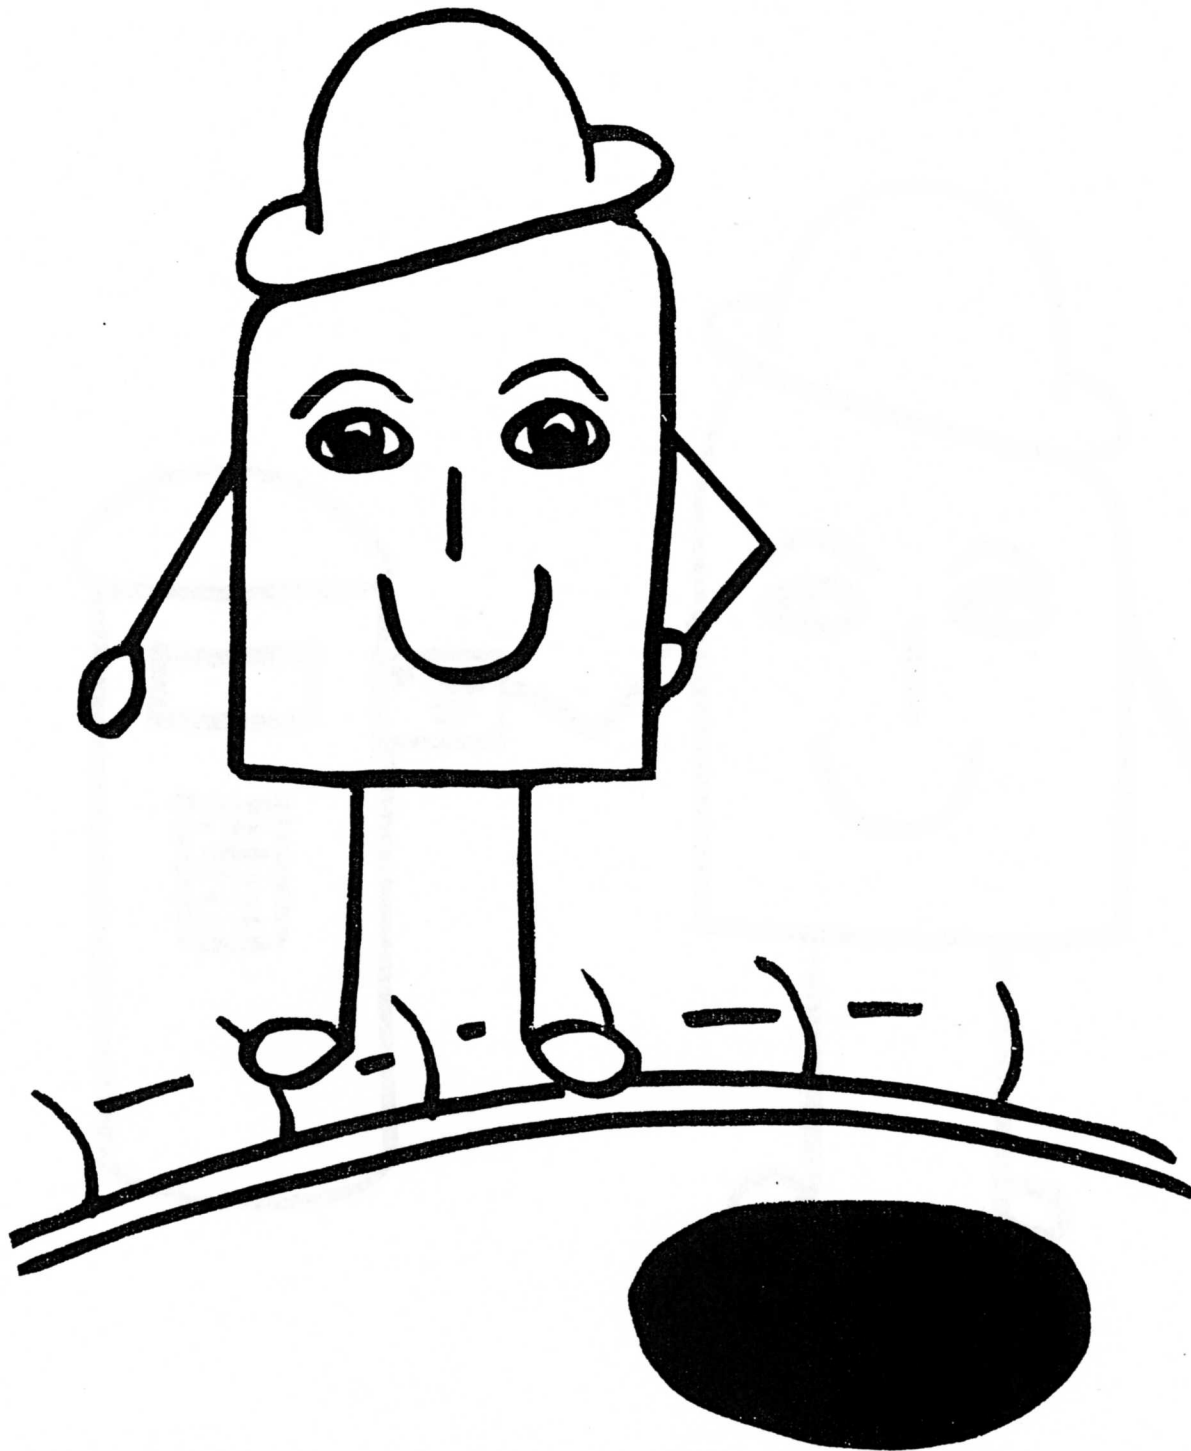

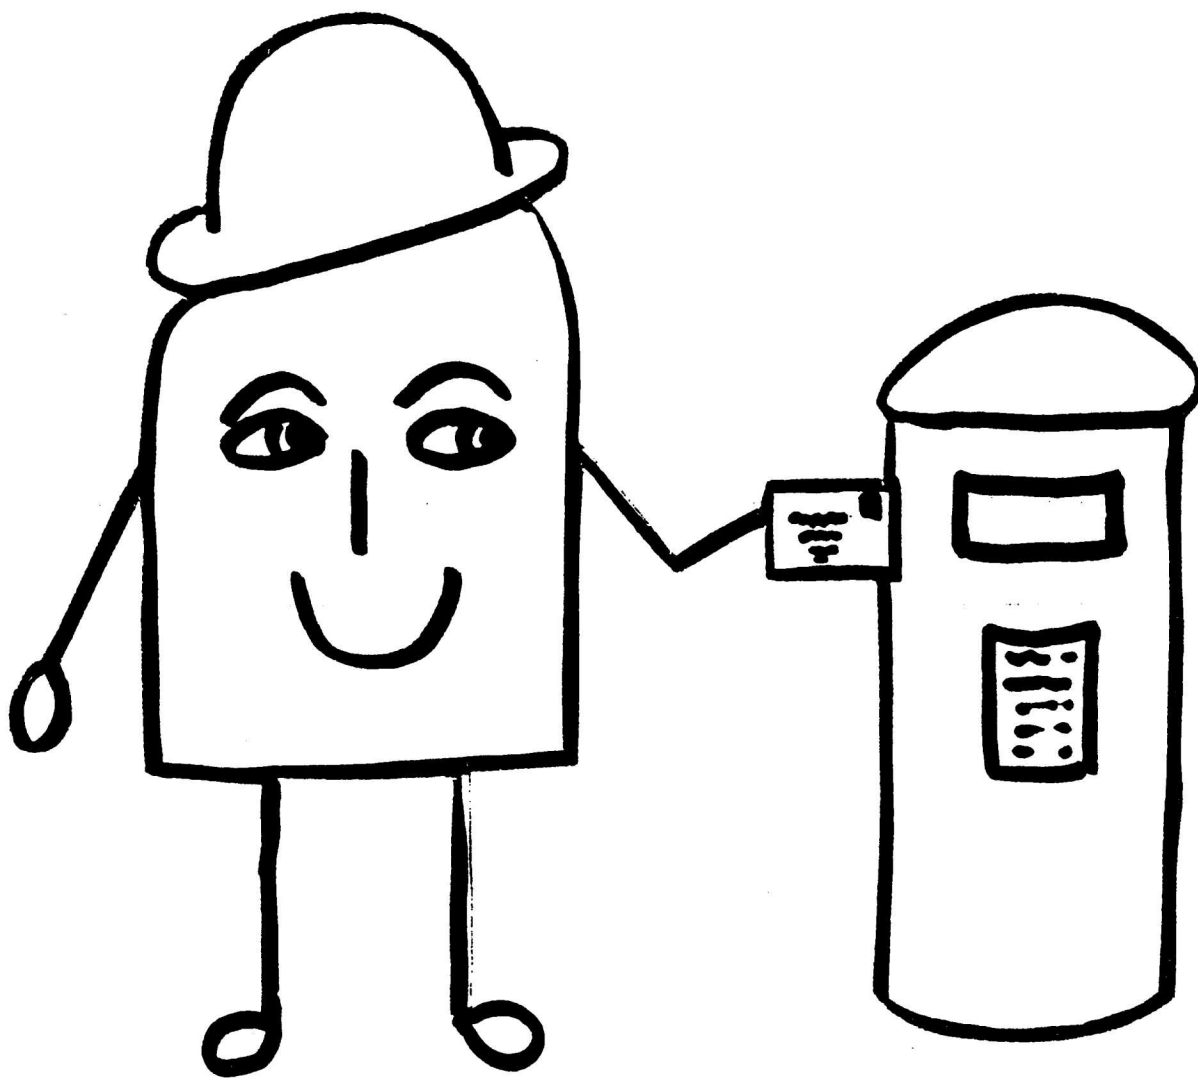

He sees a dog wagging his tail.  
(move your tongue from side to side  
quickly).

He sees a small hole in the road.  
(make your lips into a small 'oo' shape).

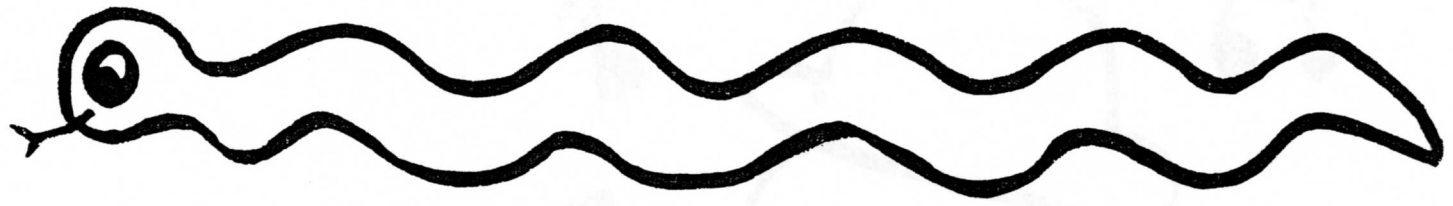

Then he sees a bigger hole.  
(make your lips into a large 'ah' shape).

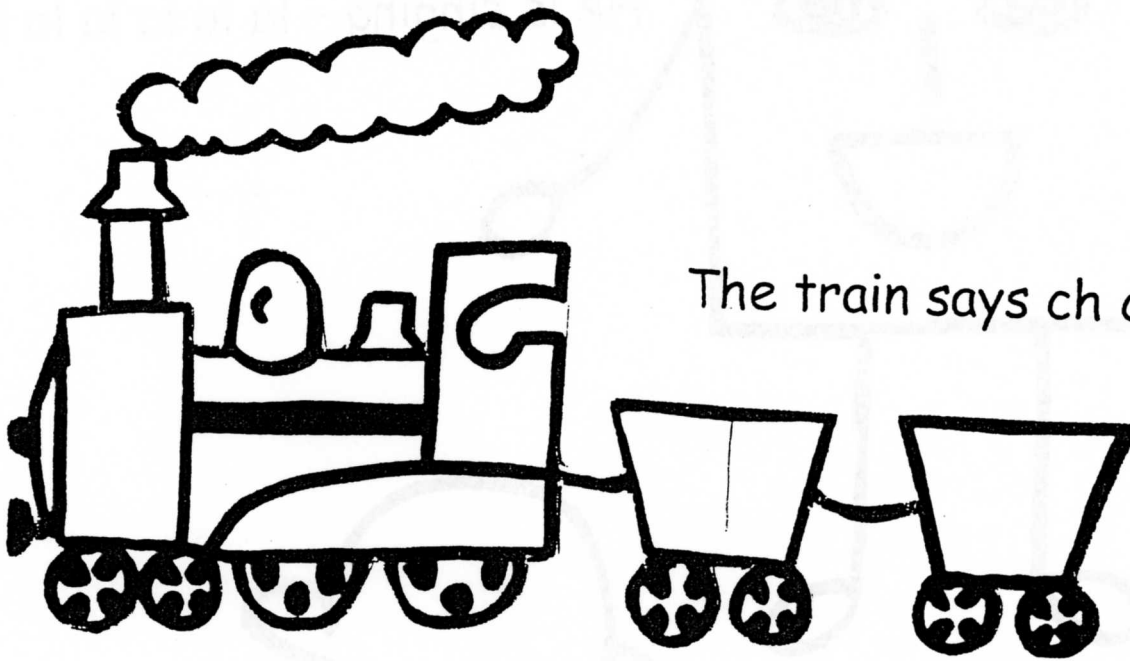

He posts a letter in the letterbox.  
(make your lips into a grinning 'ee' shape).

Mr. Tongue has some friends who make lots of noises.

Mr. Tongue says 'Hello' to all his friends.

The snake says s s s s s
